

The 1000 Club is a significant fund raising campaign for the Northbridge Education Foundation (NEF).

The primary goal for the NEF is to raise funds to provide Northbridge students with the opportunity to participate in the school system's sports, clubs and activities.

The 1000 Club is intended to provide an easy way to show your support for the NEF and our students while also being able to participate in a limited but exceptional monthly raffle.

Every month starting in December of 2007 a drawing will be held and winners selected from the 1000 eligible numbers. The following prizes are to be awarded from each raffle:

- (1) **\$1000 prize**
- (1) **\$500 prize**
- (2) **\$250 prizes**

Membership in the 1000 Club is obtained by application (so we know where to send your check) and an annual donation of \$120 to the NEF (12 drawings). We hope to have the monthly drawings live on local cable TV. Please complete the application below and send a check for the donation or download and complete the EFT form available at

<http://www.northbridgefoundation.com/ade.pdf>

Each \$120 donation you make to the NEF via the 1000 Club will provide you with a separate entry into the monthly raffles. Confirmation of receipt of your application and number assignment will be sent via email.
