

Northbridge Education Foundation

Few fundraisers offer the opportunity to leave a legacy. That's what makes the Buy-A-Brick program so special. For a relatively small donation, you can support Northbridge students while leaving a lasting memory of your connection with our schools and your support for education.

The NEF is selling bricks to expand a patio around the flag pole in front of the Northbridge High School. This patio is a lasting legacy and tribute to the fond memories had while you or a loved one attended the Northbridge School System, or simply a way to show your support for our students.

Who should buy them?

- Loyal alumni
 - Grateful students
 - Faculty
 - Friends
 - Family members
 - Student clubs
- Add your year or championships to make it more special
- Businesses, to show support
